Sub: Requesting to release the circular regarding introduction of new technical club from Dept. of AI&DS
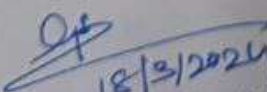

Respected Sir,

I am writing to request the registration of New Technology club **"INTELLIGENTSIA"** at KL University from Department of Artificial Intelligence & Data Science. **Our club will primarily focus on exploring and advancing technologies on Machine Learning and Artificial Intelligence** & Our main objective is to promote innovation and social impact through ethical practice and continuous learning. We provide opportunities for members to enhance their skills, collaborate on projects, and contribute to positive societal change. Through research promotion, education outreach, and career growth initiatives, we strive to create a supportive environment where members can thrive and make meaningful contributions to the field of algorithms and machine learning., and we have completed all necessary documentation, including our club constitution and advisor confirmation.

We are excited about the opportunity to contribute to KL University from Department of Artificial intelligence & Data Science and appreciate your consideration of our application for club registration.

Sincerely,

Department of Artificial Intelligence & Data Science
